**Are you ready for the upcoming changes in the markets?**

As astrologers we have a unique tool to understand and predict cycles, but how can our knowledge of astrology help us take financial advantage of the changing times ahead? This special seminar is a unique opportunity to explore how the planetary climate will affect our homes and investments on both sides of the Atlantic and around the world.

*For 20 years, Wendy Stacey, head of the Mayo School of Astrology, has been in the unique position of being a property developer and professional astrologer.*
